The Late Election in New Hampshire-Fisk Ordered to Turn Over Arrest of Car Thieves-Travel on the Hudson-Tweed Testimonial Association Dissolved-Money Re-funded-Meeting of Republican Executive Committee --- Railroad

NEW YORK, March 15. The Tribune this morning says: The Republicans in New Hampshire, yesterday, seem to have lost the Governor, all Congressmen, the Council and probably the Senate, while the House is only claimed for the Republicans by a ma ciaimed for the Republicans by a majority of from 10 to 20 in a body of over 300 members, and that on the vote from 165 towns, the Republicans gain on last year's vote 960, while the Democrats gain 3,436; a net Democratic gain of 2,476. The Tribune then adds that New Hampstire has not became Democratic.
This vote means mainly, if not wholly, the Republican apathy born of over confidence and continuous triumphs of sixteen years, and Republican disaffections en gendered by local quarrels, liquor and the unwise and untimely Sumner trouble.
